General Information

Superintendent of Documents Sales Information

The prices of all U.S. Government publications sold by the Superintendent of Documents are subject to change. The prices charged on your order will be those in effect at the time your order is processed.

Subscriptions are for 1 year unless otherwise specified. Subscribers will be notified prior to the expiration of their subscription in ample time to resubscribe.

The average processing time for new subscriptions is 2 to 6 weeks plus mailing time. Please take this into consideration before making an inquiry concerning your order.

How to order

Please send your order along with your remittance to the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402. In addition to your address, include the title, stock number, and price of the publication. For subscription orders, include the subscription symbol that appears in the parentheses following the price. For example, (ARES) identifies *Agricultural Research*.

How to Remit

You may order by check or money order payable to the Superintendent of Documents or by Visa, MasterCard or Choice credit card. When ordering by credit card, include your card number and expiration date. Remittances from foreign countries should be made by international money order payable to the Superintendent of Documents, or by draft drawn in U.S. dollars on an American or Canadian bank. Include an additional 25 percent of the domestic price for publications to be mailed to a foreign address. NOTE: Due to a change in Treasury Department regulations, the Superintendent of Documents can no longer accept checks drawn on Canadian banks for less than \$4 (U.S.). For order totals less than this amount, we suggest you use Visa, MasterCard, Choice or Superintendent of Documents Deposit Account. United Nations Educational, Scientific, and Cultural Organization coupons are also acceptable from foreign countries.

For the convenience of customers who make frequent purchases, a prepaid deposit account may be opened by remitting \$50 or more. Upon receipt of your remittance, you will be assigned a special deposit account number against which future orders may be placed.

Discount Policy

A discount of 25 percent on the domestic price of any publication or subscription will be allowed to bookdealers when delivered to the dealer's normal place of business.

A discount of 25 percent will be allowed to quantity purchasers (100 or more copies) of a single publication or subscription when mailed to a single address.

**National Technical
Information Service
Sales Information**

Send your orders to the National Technical Information Service (NTIS), U.S. Department of Commerce, 5285 Port Royal Road, Springfield, Virginia 22161. There is an NTIS order form following Section VI of the catalog. You need not use this form to order, but it is necessary that purchaser's address, method of payment, and order selection (NTIS order number or title, quantity, etc.) be furnished. Methods of payment are given on the order form.

You may open a deposit account by remitting \$25 or more to the Customers Accounts Section of NTIS. On receipt of your application and payment, an account will be opened in your name and you will be furnished an individual number. You may then place orders by mail or phone using your deposit account number.

To order by phone, call (703) 487-4650 for regular orders. These orders are shipped by First Class mail or equivalent. Express/Rush service is available by calling (703) 487-4700 or (800) 336-4700. Express service processes orders within 24 hours and delivers by overnight courier for \$20 per item. Rush service processes orders within 24 hours and mails First Class or equivalent service for \$10 per item. You may also choose to pick up your Rush order at NTIS within 24 hours for a \$7.50 per item charge.

**Publications No
Longer Available**

USDA publications no longer in print may be found in public or university libraries maintaining government publications. Many of these libraries carry fairly complete files of USDA publications.

Photoduplication

A photocopy or microfilm of any out-of-print Department publication in the National Agricultural Library's collection may be purchased from the Utilization Section, ILL, U.S. Department of Agriculture, National Agricultural Library Building, Beltsville, MD 20705. Individuals and organizations without a library should request items on the Library's order form, which is available from the above address. Requests from libraries should be submitted on the American Library Association's interlibrary loan form.

Electrostatic copy, microfilm and microfiche—

\$3.00 for the first 10 pages or fraction thereof from a single article.

\$2.00 for each additional 10 pages or fraction thereof from a single article.

**Description
of Series**

Agricultural Economic Reports

Semipopular or semitechnical reports on production, marketing, and use of agricultural products for professional and technical workers.

Agriculture Handbooks

Information for ready reference, such as manuals, guidebooks, specifications, glossaries, and lists of plants or animals, for professional and technical workers.

Agriculture Information Bulletins

Subject matter of interest to people and groups throughout the American public—urban as well as rural.

Bibliographies and Literature of Agriculture

Citations of books, periodicals, and reports on agricultural research and related subjects for scientists, educational specialists, students, and librarians.

Conservation Research Reports

Reports of conservation research, including reports on less complete research projects than are reported in the Technical Bulletin series.

Cooperative Information Reports

Information on the principles, practices, organization, operation, and activities of farmer cooperatives.

Farmers' Bulletins

Information of practical methods of applying the results of scientific research to farming in simple language.

Foreign Agricultural Economic Reports

Semipopular or semitechnical reports with emphasis on keeping the Nation's agricultural interest informed of current developments abroad in the supply, demand, and consumption of agricultural products.

Home and Garden Bulletins

Information on home and garden subjects for use by town and city as well as farm residents.

Home Economics Research Reports

Technical or semitechnical reports of home economics research for professional and technical workers in home economics and related fields.

Leaflets

Popular material of the same general character as the Farmers' Bulletins series but in a briefer form.

Marketing Bulletins

Popular presentations of information on agricultural marketing for the general public.

Marketing Research Reports

Results of marketing research in semitechnical or semipopular style.

Miscellaneous Publications

Both technical and nontechnical publications that do not conform to the size or type of material specified for the other series.

Production Research Reports

Semitechnical or semipopular reports of production research, with emphasis on the application of the information in the production of farm products.

Program Aids

Information on current farm programs for people affected by the program.

Rural Development Research Reports

Technical and semitechnical information on the development of people, communities, recreation, and natural resources of rural America.

Statistical Bulletins

These publications consist mainly of tables of statistics on one or more closely related agricultural commodities. They may include statistics on production, movement from the farm, receipts at principal markets, reshipments, farm and market prices, exports and imports, and foreign production and prices. They are of particular interest to persons actually engaged in marketing, or any business affected by agricultural production and marketing.

Technical Bulletins

Technical Bulletins present results of research work carried on by the Department of Agriculture and its cooperators. They are written in technical language and are intended chiefly for scientists and specialists in the fields studied.

Utilization Research Reports

Semitechnical or semipopular reports, with emphasis on the application of the information in the utilization of farm products.

Yearbook of Agriculture

An annual publication devoted to articles on agricultural problems, new developments in agriculture, and research.

Other Series

Series other than above are issued by agencies of the Department to meet their individual needs.

Visual Aids Information

Motion Pictures

Prints of USDA films can be purchased or rented from the National Audiovisual Center (NAC), General Services Administration, Washington, D.C. 20409. Please contact the NAC Sales Branch for prices and ordering procedures. Their telephone number is (301) 763-1891.

Filmstrips and Slide Series

Filmstrips and slide series cover a variety of agricultural, home economic, and other subjects, and are accompanied by a cassette sound-track, and/or narrative guide. A price list of available filmstrips and slide series which are for sale only may be obtained from the Photography Division, Office of Governmental and Public Affairs, U.S. Department of Agriculture, Washington, D.C. 20250.

Photographs/Color Slides

Reproduction of photographs and color slides which have been obtained in connection with authorized work may be purchased from the Department. Prices will be quoted upon request. However, no reproductions will be made for applicants, other than Federal agencies, until payment has been received. A minimum charge of \$1.00 is made on all orders. An index of photographs/color slides and price list may be obtained from the Photography Division, Office of Governmental and Public Affairs, U.S. Department of Agriculture, Washington, D.C. 20250. The Department will not furnish reproductions when it is believed that they may be used to show, by implication or otherwise, that the Department endorses any commercial product.

When ordering photographs appearing in Department publications, the negative number, if shown, title, and date of issuance of each publication should be given. Requests should be addressed to the Photography Division, Office of Governmental and Public Affairs, U.S. Department of Agriculture, Washington, D.C. 20250.

NOTE: A number of publications listed in the catalog are for sale by both the Superintendent of Documents and the National Technical Information Service. The prices charged may vary due to different acquisition, reproduction, retention, and delivery methods.
